Terms & Conditions

Anointed Works (AW) staff and their team members are older individuals past the age of 18. We have policies in place to protect our team and anyone who decides to follow us on social media. Parents/Guardians need to know that we will *never* ask for a follower's real name, age, gender/sex, location or speak to minors in DM's (Direct Messages).

At no point will AW demand to know private information or openly engage with people under or over the age of (18) unless it is strictly business-related questions on our business pages, such as Facebook, Instagram, X, etc. For those kinds of messages, we are aware people may send us DM's instead of messaging us on our walls/feeds. When that happens, minors and adults will be answered by support agents and those supports agents will only reply with business information about the organization or our online school.

We ask that all followers and members of our website communicate on public feeds, walls, posts, channels, etc. where everyone can see what we do and what we say. Before sending support agents messages or support DM on X, please note that all conversations are archived by AW for protection purposes and phone calls made to our organization is recorded and monitored for training and protection purposes. AW will never disclose private information to third parties or to random

people for any reason. Any emails, text conversations and phone calls will be archived and remain in AW's Database until our organization dissolves and is no longer active.

As of today, **March 30th, 2018** followers of any age *are not* allowed to private message staff or volunteer staff unless it is strictly business related in a support ticket. Visitors and members of our website are forbidden to confront staff or volunteer staff in DM's or mail them with the intention to establish a online relationship, stalk, threaten, doxx, or harass. People of any age, color, nation, gender/sex that chooses to confront us platforms for any reason and do these things will be addressed by our Approval Authority. You will be given one warning to stop. If you are a visitor, member of our website, a sponsored creator, business partner, seeker of UA and defy this policy after you have been warned to stop, your account will be terminated, you will not be allowed to use our services anymore and you will be blocked. If your offenses vast, we reserve the right to press legal charges against you and you will persecuted to the full extent of the law.
